CROSS STATE TRAIL RIDE AUGUST RIDE INFO

AUGUST 3 to 11, 2024

<https://maps.app.goo.gl/toKpmCHho8veDFnd6>

AN INVITATION TO THE 55th ANNUAL RIDE LeGRAND REYNOLDS HORSEMENS' CAMPING AREA ARCADIA MANAGEMENT AREA RI

The Rhode Island Federation of Riding Clubs put in a lot of work with the State of Rhode Island to keep LeGrand Reynolds Campground an equestrian camping area. We are fortunate to be able to continue to use this wonderful area.

At over 14,000 mostly forested acres, the Arcadia Management Area is the state's largest recreational area, offering users a great variety of opportunities to enjoy the outdoors. Co-managed by DEM's Divisions of Forest Environment and Fish & Wildlife, it is promoted as, and actively managed for hunting, as well as fishing, boating, hiking, mountain biking, and horseback

riding, to name a few activities.

We have an exciting 10 days planned for our 55th Annual Cross State Trail Ride in August with some wonderful trails planned. Distances will range from 8-15 miles with various terrains including some gravel roads, wooded trails (yes some rocky sections since we are in New England) and some grassy fields (great cantering areas!) Some beautiful views on the Mount Tom Trail. We will have a short loop option available if desired. All horses should be properly conditioned prior to the ride.

Your ride managers for the 55th Annual August Ride are Diane Gryncewicz dsullivan-dvm@gmail.com and Ellen (Charlie) Williams lotaspots@verizon.net -If you can lend a hand to help with trails and marking, please contact them.

Camping Area Info

GENERAL INFORMATION FOR AUGUST 2024

SITE DESCRIPTION:

We will be staying at LeGrand Reynolds Horsemen's Camping Area, 260 Arcadia Road, Exeter, RI. The area is horse camping friendly with plenty of room for setting up fencing in shady areas, but please keep horse fencing to approximately 20ft by 20 ft. Riders can move into camp on Friday

MEALS :

Meals begin with **breakfast** on **Saturday** August 3, 2024, no lunch, welcome party at 3pm followed by dinner at 6:30 pm. Members are asked to bring snacks for the welcome party. First ride briefing will be at breakfast on the first Saturday. The remainder of the ride briefings will be at dinner. On **Wednesday**, there will be a breakfast, no lunch, a welcome party for second half mid afternoon and dinner at 6:30 pm. On the last Sunday, August 11th, we will have a breakfast only. The remainder of the days, lunch and dinner will be served.

HAY, GRAIN AND WATER:

Riders supply their own grain. Hay is supplied and will be available starting on Saturday morning. We plan on providing a half a bale of hay per horse per day. If your horse has special dietary needs you will need to bring your own supply of hay from home. Do not plan to purchase hay at the ride. We do not anticipate that second cut hay will be available.

Bring a hay net to avoid wasting hay and a tarp to cover several bales of hay at your site. A container to transport water to your campsite will be needed. A large manure bucket is recommended to store water at your campsite.

MEMBERS:

This ride is possible because of the cooperation of all members of CSTR. All persons at the ride must be members. Riders may ride the whole ride or either half or the two weekends.

CONDITIONING:

It is essential to properly condition your horse. A conditioned horse is less susceptible to injury and fatigue. The length of time necessary to reach an adequate level of fitness will vary. You will be riding over unfamiliar terrain for several days in a row. This is more stressful than your normal routine.

MANNERS:

Your horse should go well in company, must tie quietly, drink, and cross water on the trail. Your horse should also be accustomed to motor vehicle traffic before you come to the ride.

FARRIER & VETERINARIAN:

There will be a farrier and veterinarian on call. Fees are by private treaty and are the responsibility of the rider. Please have your horse newly shod before the ride. The CSTR takes no responsibility for unshod horses.
